Re: Complaint against Gerald Armstrong

Dear Mr. Leonard:

In both my conversation with you yesterday and my discussion with Agent Graham on October 17, 1985, I pointed out that 18 U.S.C. §912 does cover the actions of Mr. Armstrong which are the subject of Ms. Hall's complaint.

Apparently the Bureau is not terribly interested in bringing formal charges against Mr. Armstrong for his use of the Bureau's name in his attempt to harass Ms. Hall.

As I have indicated, Mr. Armstrong has claimed to be close to the Bureau for some time now. Obviously, if he were an agent and/or employee of the Bureau, what he has done would not be a crime.

Therefore, please confirm or deny that Mr. Armstrong is or was an agent or employee of the Federal Bureau of Investigation.

Thank you.

Sincerely,

Roger Geller
